## Low Back Oswestry

This questionnaire has been designed to give the therapist information as to how your injury has affected your ability to manage in everyday life. Please answer **EVERY** section and mark in each section only the **ONE** box, which applies to you. We realize you may consider that two of the statements in any one section relate to you but mark the box, which most clearly describes your problem using the injured side.

### SECTION 1 – PAIN INTENSITY

- The pain comes and goes and is very mild.
- The pain is mild and does not vary much.
- The pain comes and goes and is moderate.
- The pain is moderate and does not vary much.
